

COVID Protocols	
HYGIENE PROCEDURES	• Don't come to the event if you are unwell. • Wash your hands often with soap and water (hand sanitisers will also be available). • Avoid touching your eyes, nose and mouth. • Cover your mouth and nose with a disposable tissue when coughing or sneezing and immediately dispose of it in a bin. • If you don't have a tissue handy, turn away from people and sneeze or cough into the bend of your elbow or sleeve. • Avoid physical contact such as shaking hands.
MASKS	There are no public health directions in effect to wear a face mask. However: • Masks are still recommended if you can't physically distance. • Masks are recommended for seven days after receiving a positive RAT test. Complimentary (surgical) masks will be available.
PHYSICAL DISTANCING	We are expecting up to 120 people to attend so physical distancing will not always be possible. We have put measures in place to minimise the risk including providing masks and hand sanitiser.
CLOSE CONTACTS	Potentially vulnerable people will be attending this event so please wear a mask if you are a close contact. Close contacts are: • A person in your household with COVID-19 • A person with COVID-19 that you've spent more than 4 hours with in a house or other accommodation.
AWAITING COVID TEST RESULTS	If you are unwell and have taken a COVID test, you and your immediate household members must isolate until a test result is received.
POSITIVE COVID TEST RESULTS	• Stay at home until you no longer have symptoms. • Wear a mask for seven days.
